

Prime Time Entry Survey

KENTUCKY HUMANITIES

Thank you for participating in PRIME TIME! As you may know, we offer this program for communities, where children and their families develop self-directed, self-motivated learners who are eager to absorb the world around them through literature, questioning & inquiry, and meaningful interaction with each other. Your responses to the statements and questions below will help us better understand how our program is affecting your family in reading, critical thinking skills, and family togetherness. Therefore, please feel free to answer as openly and honestly as possible. If you have any questions about the survey, please speak with your PRIME TIME team, and they will be able to address them accordingly.
